

The Midwest Pond & Koi Society

The Midwest Pond & Koi Society was formed for the betterment and education of those interested in water gardens, Koi, and/or ornamental fish through the exchange of information, exhibitions, workshops, seminars, tours and interaction with other similar groups. We are a gregarious and friendly group, always happy to help and advise each other!

We meet the 3rd Friday of every month from January through October. Dinner begins at 7:15 PM, followed by the meeting at 8:00 PM. The meeting location is posted on the internet with the program agenda for the evening.

Attendance averages 100 pond / fish / plant enthusiasts. The Meetings include a speaker on a specific topic and a raffle. After the speaker, the floor is opened to questions from attendees. Non-members are always welcome!

Membership privileges include a subscription to the bi-monthly newsletter, a copy of the pond tour map, a membership card (which entitles members to certain discounts as offered by participating vendors), borrowing privileges to materials in the club library and the right to participate in any of the club's activities. The membership fee is \$25.00 per family per year. Memberships received after July 1st are \$12.50 per family and do not include the pond tour map.

If you are interested in becoming a member, please complete the form below and send it with your check or money order, payable to the Midwest Pond & Koi Society, P. O. Box 3011, Lisle, IL 60532.

We will send you our next Newsletter containing informative articles, notices of future meetings, and upcoming activities and events.
